Community Member

RAB Charter

The Restoration Advisory Board (RAB) will meet on November 10th in a member only meeting to review and update the RAB Charter. The results of the review will be communicated to the community in draft and final form.

RAB Meeting Agenda

The next meeting will be held on November 10, 2004 for RAB MEMBERS ONLY.

- Roll Call
- Finalize minutes from the September 22, 2004 meeting.
- RAB Charter review/revisions
- RAB members questions and discussions
- Schedule next public RAB meeting and agenda items

Community Interviews and Community Involvement Plan

As indicated in the April 2004 News Letter, a comprehensive Community Involvement Plan (CIP) is under development for Sierra Army Depot (SIAD). The CIP is a DTSC/SIAD collaborative effort. Community interviews have been initiated and more are planned for November. RAB and community members are encouraged to provide SIAD and/or DTSC their thoughts on who should be interviewed and any other ideas they may have on contents for the plan. The plan will include information on CERCLA and RCRA activities, current mission information and community interaction and concerns.

Installation Restoration Program Information

October /November 2004

- Continue groundwater monitoring for the ALF/SSA and Building 210 Areas
- Continue Insitu Remediation Zone (IRZ) injections and evaluation of the biodegradation technology for groundwater treatment
- Preparation of Draft Community Involvement Plan
- Preparation of the Draft Final Three Sites Record of Decision/Remedial Action Plan (ROD/RAP)
- Preparation of the Draft Three Sites Remedial Action/Remedial Design (RD/RA) Plan

Participation in Restoration Advisory Board Activities

Membership on the RAB is currently closed. However, those who do not serve directly on the RAB can still participate in RAB activities. Interested members of the community will be included on the mailing list and invited to all RAB meetings, which are open to the public. Technical documents reviewed by the RAB will be made available to the public through information repositories. The public will be able to comment on the technical documents either in writing to the SIAD or at the RAB meetings during a time set aside for public comments and input.

If you would like to receive updates on RAB activities at Sierra Army Depot please detach and mail the form to: Lisa Huston, Sierra Army Depot, Attn: AMSTA-SI-GM-BS, Herlong CA 96113 indicating your interest.

_____ Yes, I am interested in Restoration Advisory Board activities at Sierra Army Depot.

_____ Please mail me an interest survey.
